*High Production Airless Sprayers Designed Specifically to Spray
- Apply Chemicals to Sanitise, Disinfect and Deodorise Faster*

**MADE IN THE
USA WITH
GLOBAL
COMPONENTS**

Introducing SaniSpray HP from Graco

The industry's first airless high production equipment built specifically for your sanitising, disinfecting and deodorising jobs.

Graco's SaniSpray HP products have been designed to deliver consistent coverage, without heavy drips and runs, so that you can achieve specified disinfectant dwell times.

Don't leave your success to chance. Graco SaniSpray solutions include innovative, patented technologies to deliver highest productivity on all your cleaning jobs small or large.

Trust Your Disinfection and Sanitation Process to Graco

Graco is committed to providing the highest quality products available.

American Built Quality Since 1926

100% factory-tested and field-proven Graco's professional spray equipment is designed, manufactured, and assembled in the USA with global components.

Industry-Leading Service and Support

We have you covered with product support.

Use SaniSpray HP for high production sanitising, disinfecting and deodorising jobs... EVERYWHERE

Food Services

Transportation

Housing & Education

Hospitality

Health Care

Arenas & Athletic Facilities

Not all airless sprayers are created equal. Only Graco's SaniSpray HP sprayers are designed and built specifically to be compatible with sanitising and disinfecting chemicals while applying them with maximum efficiency.

ONLY SANISPRAY HP:

DELIVERS THE HIGHEST SPEED & PRODUCTIVITY

Choose the SaniSpray HP model by its flow rate to match job requirements

IS BUILT FOR YOUR APPLICATIONS

Uniquely built with the highest grade materials that are compatible with disinfectants, sanitisers and deodorisers — unlike traditional airless paint equipment

DELIVERS CONSISTENT ATOMIZATION & COVERAGE

Delivers the proper atomization required to quickly and consistently coat surfaces to disinfect and sanitise efficiently

COMES WITH EVERYTHING YOU NEED TO START NOW

Ready to spray out of the box with everything you need — just add disinfectant and get to work

Inconsistent Application

The Old Way

- Inconsistent coverage with drips and runs
- Additional step required to wipe area down
- Small reservoirs require frequent filling

The SaniSpray HP Way

Consistent Thickness

CONSISTENT COVERAGE FROM EDGE TO EDGE

- Consistent application coverage delivered in high production or fine spray methods
- Complete surface coverage to meet chemical dwell time requirements
- Fastest application method—period
- Choose from a variety of RAC X™ LP QuickChange™ tip sizes to meet spray width and speed needs

Part # 25R954

A Sprayer for Every Job

The complete line of SaniSpray HP sprayers are built to deliver the highest level of productivity on every job—whether you need to treat a small room or an entire complex, there is a SaniSpray HP model with the performance to take on the task.

SaniSpray HP 20

Cordless Handheld Sprayer

Litres or Less
Every Week

SPRAY UP TO 590ml PER MINUTE

FINISH SMALL JOBS FAST
